Jughead® IN

YO-HO-HO!

Dear Archie Readers,

I would like to thank the hundreds of readers that have responded to my Editor's Notebook. I want you to know that I read every letter. In most of the letters I receive, many of you have asked me to write back. I will try to answer as many of them as I can. However, since there are a lot of similar questions, I thought I might answer some of them in my column.

Before I get to answering any letters, I'd like to bring you up to date on some of our new projects, the first being Jughead's Pal HOT DOG #1. The first issue took a little longer than I expected to complete, but it's definitely scheduled to go on sale in November 1989, before Thanksgiving, which means in plenty of time for Christmas! We also have plans for "Explorers of the Unknown" to be a regu-

larly issued comic. We've received loads of requests to see more of the Explorers since their appearance in the last two issues of "The World of Archie".

Now to some letters:

Hillary Cresswell of Fayetteville, NC writes, "I'm tired of Veronica always putting Betty down and poor Betty rarely gets Archie. I would like to see more of Betty and Archie."

Read the latest issue of BETTY AND ME, Hillary. I think you might be pleasantly surprised.

Editor's NOTEBOOK

Don Foxworth of Grand Rapids, MI writes, "I own what I consider to be one of the largest Archie comic book collections around... I have 2500 comics... I am in need of Betty's Diary #2 for my collection. Can you help me?"

My best advice to you, Don, is to attend any of the comic book conventions in your area. There you can meet many dealers and collectors that specialize in back issues.

Thanks once again for all of your great letters. So long for now.

Write your letters to:

JUGHEAD No.15 DECEMBER

FIRST PRIZE—\$6.00
REPORTER
HEATHER WALLACE
Sharpsville, PA

Dear Archie:

Amelia Earhart was an American aviator. She was born in Atchison, Kansas. She was the first woman to fly the Atlantic Ocean in 1932. She also set a new record for crossing it in 13 hours 30 minutes. For this accomplishment she received honors from the American and French governments. Crossing from Hawaii to California, she was the first woman to fly the Pacific Ocean in 1935. Later that year she set a speed record by flying non-stop from Mexico City to New York City in 14 hours 19 minutes.

She began a flight in June 1937 flying around the world eastward from Miami, Florida with

Frederick J. Noonan, a navigator. In July their plane disappeared while en route from New Guinea to Howland Island. What happened to them still remains a mystery.

SECOND PRIZE—\$4.00
REPORTER
MICHELLE FERNANDEZ
Laredo, TX

Dear Archie:

My Archie Club Report is on lip movement. Many people use their lips to communicate. Primitive man used lip movement.

Many deaf people depend on lip movement as well as sign language. People who know lip movement recognize words by the shapes of a person's mouth when they talk. Deaf people use as many as 1,500 lip movements.

Lip movement is a very famous system of communicating. Someday, you may want to try lip movement.

ARCHIE FANS! Every month, ARCHIE CLUB MEMBERS have their letters printed in my comics wherever the ARCHIE CLUB NEWS appears. The winners receive CASH PRIZES and their names are printed in the comics. You can become a member, too! Look for the ARCHIE FAN CLUB AD in THIS ISSUE. After you join the club, you will be eligible to submit all the letters you want and WIN CASH PRIZES!
